

Build Stronger Leaders

SkillBuilder™

Introducing the **CheckPoint SkillBuilder™ Series**
presented by Profiles International, Inc.

“The Next Step to Management Success”

The **CheckPoint SkillBuilder Series** is on the Internet to put more power into your management development program

After your managers have identified their strengths and areas for development using the **CheckPoint 360° Competency Feedback System™** – what happens next?

The answer is the **CheckPoint SkillBuilder Series** on the Internet!

- The **CheckPoint SkillBuilder Series** is an organized, self-paced, self-study professional development system that requires minimal HR effort.
- Contains thoroughly researched material that helps managers improve performance in the competencies they choose.
- Applies the **KSS** system to help managers:
 - KEEP DOING** the things they do well
 - STOP DOING** those things that interfere with their effectiveness
 - START DOING** things that will improve their performance
- Encourages managers to perform their jobs better.
- Gives emphasis to the importance of managers to the organization and its goals.
- Pays big dividends in the form of improved productivity, fewer “people problems,” increased employee retention, and greater profits.

This is a manager’s method for improving leadership skills and managing better. The Internet-based **CheckPoint SkillBuilder Series** can be used anywhere and at any time. It is convenient, easy-to-use, and effective.
